## Camellia Koi Club's 2017 Pond Tour "A View of Excellence"

Saturday & Sunday, May 20-21, 10am-4pm (both days)

Only \$20/carload to view 12 ponds in both the  
North & South areas in Sacramento

View the North Tour on Saturday and the South Tour on Sunday  
...or the other way around

A great weekend activity for the family, or maybe you want to learn more about ponds and koi.

See ponds of all types, some professionally built and some built by owners. Most are large ponds beautifully landscaped and stocked with every kind of koi imaginable.

Talk to vendors and builders in the koi pond industry, as well as the pond owners and their koi kitchy\* friends. \*pond-ese for 'koi crazy'.

Camellia Koi Club is a nonprofit group of koi enthusiasts dedicated to promoting good koi husbandry and pond health. We meet once a month to share a meal and talk 'koi'. If this, or the Pond Tour, or the Koi Show interests you, get more information at [www.CamelliaKoi.org](http://www.CamelliaKoi.org). Just grab a tear off from this page for all of the koi kitchy you can stand.

Our **AKCA Koi Show** is Labor Day weekend,  
**September 2 & 3, 2017**

It's called '**A Taste of Excellence**' because the venue location is  
**The Old Sugar Mill Wineries Tasting, Clarksburg, CA**  
(not because we're tasting koi)

Entry Packets for show tanks and Sponsor/Vendor Packets  
are available at [www.CamelliaKoi.org](http://www.CamelliaKoi.org)
