President's Message

By Jean Jahr

We got together at Pauline and Lillie's home in Roseville for our April meeting in their beautiful cottage style garden. I had been there many years ago when she opened her garden to one of Camellia Koi Club's Koi Pond &

Garden Tours. It was a beautiful experience then and this time, years later, I was totally awed once again. A Master Gardener/Artist/Koi fish keeper, Pauline Sakai and her mother have created an amazing place. Thank you both for welcoming our group into your home.

This month instead of our regular meeting Camellia Koi Club, Pure Water, Koi Enterprise of West Sacramento, and Strictly Toy-ondas of Auburn are co-sponsoring a Young Koi Show. It will be held on Sunday, May 19, 2013 from 9am to 3pm at Whitey's Jolly Cone, 1300 Jefferson Blvd, in West Sacramento. There will be free public admission.

Even for the viewer who currently does not have a pond it will be a fun day out for the family. Gather up some friends and come on over. Grab something cold to enjoy from Whitey's Jolly Cone while strolling around the Koi Show and admiring some beautiful fish. Who knows, someone may be inspired to add a pond to their landscape and include some awesome pets with fins!

Camellia Koi Club Report to AKCA

May 2013

We marked our calendars for Sunday, May 19, for our Young Koi Show. Location is 1300 Jefferson Blvd, W, Sacramento from 9am to 5 pm. Size limited only up to 15 inches and only for CKC members. It is not surprising we have members joining. This is a wonderful opportunity for novices who are new to our hobby. Even last minute entry cost is only \$15 and members can bring multiple Koi for that simple entry free. A one-day show with Koi displayed in clear bags instead of tanks is a new experience for most of us. Membership information at www.camelliakoi.org and show contact at info@koienterprise.com and johng1002@gmail.com. The closer we get the more we realize how much fun this hobby can be.

CKC Will Have A Raffle at Koi Show

As one of the sponsors, CKC will pay for a portable rest room on site. Within our Club Information Booth to promote our club we will also have a Raffle to pay for this. The money raised will depend entirely on the items we can raffle. Please consider donating something special to help us raise money for this project. The average viewer may not yet have a pond and be most interested in non-Koi items while pond people like Koi things which makes something for everyone a good idea. Please look to see what you can offer and consider helping by sitting for a time at our booth in the shade. There will be a chair for you and a big thank you for helping. It will be a good day to bring family and friends to witness what we do. There is no fee to attend as it is simply a day for fun.
